NEXT MEETING:

Friday, August 20, 2010, 7:30-8:45AM

Lewis Engineering, 2790 H Road, Grand Jct., CO 81506 (970) 243-5242

- The Manufacturer's Council of Mesa County is a diverse group of manufacturers focused on providing quality products and superior service to customers in local, national and international markets.
- The Council provides a forum for its members to engage in strategy discussions to improve individual company performance and the sustainability of the manufacturing sector as a whole in Mesa County.
